

# A JUST ENERGY TRANSITION – MATCHING LEARNING CURVES FROM GERMANY AND INDONESIA

**Indonesian - German - Energy Transition Symposium  
in the context of G7 and G20 in the year 2022**

## **A JUST ENERGY TRANSITION** **Matching Learning Curves From Germany And Indonesia**

Tuesday, March 22 2022, 10:00-13:30 CET | 16:00-19:30 WIB  
-virtual-

### **Background**

In the context of G7 and G20 in the year 2022 German and Indonesian Foundations have agreed upon a deeper cooperation in order to support climate action and higher ambitions on the global scale. The bridging function and the network of more than 70 foundations worldwide of the Foundations Platform F20 may help to enable mutual understanding and joint activities in the run up to the G7 Summit in Germany, the G20 Summit in October in Bali/Indonesia and up to COP 27 in Egypt in November.

### **Themes to be discussed**

- CO2 Pricing
- Phase Out of Coal / How to manage stranded assets?
- Upscaling of Renewable Energy
- Advancing energy financing

### **General Information**

**Date:** 22 March 2022, 10:00-13:30 CET / 16:00-19:30 WIB

**Format:** Virtual event convening high-level experts from politics, business, science, and civil society (language: ENG). Please find further information [here](#).

**Target Group:** Indonesian and German foundations and philanthropists, experts in German and Indonesian Ministries, representatives from business and the financial sector, Think Tanks and civil society in both countries

**Key words:** Renewable Energy, Health, Paris Climate Agreement, Sustainable Development Goals, CO2 Pricing, Phase Out of Coal, Upscaling of Renewable Energy, Advancing energy financing

**Format:** Moderated discussion including short statements and inputs
